## 2018 Washington Model of the Organization of American States Social Media Guidelines

The Washington Model Organization of American States (WMOAS) encourages participant universities and delegates to connect with one another, not only to share their experiences on social media but also to support the preparatory work that each delegation develops towards its participation in the model. For that purpose, the WMOAS is present in the main social media outlets:

Follow us...

...on Twitter at **@iddawmoas**   
Use the hashtag # 2018WMOAS

...on Instagram at **@wmoas**   
Use the hashtag # 2018WMOAS 

...on Facebook at <https://www.facebook.com/idda.wmoas/>  
and <https://www.facebook.com/wmoas/> and make sure that  
you register for the event associated to this year's model:  
<https://www.facebook.com/groups/2018WMOAS/>

While utilizing social media during the conference, we ask that you follow social media etiquette. Please feel free to share your experiences on Twitter, Facebook, and Instagram throughout the model but keep in mind the following guidelines:

Faculty Advisors should supervise all delegation's pages and accounts. If possible mention the official accounts established by IDDA in your posts so we can share your stories and we can all contribute to the visibility of the model and the OAS.

Remember that using your phone or any other electronic device during the model official sessions is strictly forbidden. Please mute or turn off all devices.

Exchanges in the accounts should be for the purposes of the model and its official scheduled activities ONLY. Other exchanges should be limited to personal accounts.

Do not post pictures of other participants and / or their work without their knowledge and consent. Participant universities should follow their own institutional regulations about this regard.

Be respectful of other member's ideas in both tone and content, this includes degrading or personally attacking a resolution.

Please utilize social media as much as possible to engage with other participants both prior to and during the model. This is a great tool to discuss resolutions, schedule meet ups, to stay in touch about meetings and events during the model and in the future! This is also a great tool to provide feedback to MOAS Organizers, feel free to direct message us directly with any issues or concerns!

**Thank you and enjoy the #2018WMOAS!!!**
